Loyola Victory Song

Hail to the men of brawn

Who bear our glory on !

Hail to the fighters bold

Against all foes they hold.

Cheer till the day is won

And battle nobly done.

Chant her glory, chant her name;

And sing Loyola's fame.

Chorus :

Make the thunder echo your song,

Cheer your warriors charging on.

Odds don't count with men who fight,

For old maroon and white.

Fighters all who'll never give in !

Loyola men are out to win.

Marching on to victory,

Fighting on with loyalty,

When Loyola hears the call to fight ! fight ! fight !
